

Global Outreach Summit

A ministry of EFCA CONNECT

Saturday, May 1, 2010, 9:00-3:30

Montgomery EFC, Belle Mead, NJ
(246 Bellemead Griggstown Rd.)

The Global Outreach Summit in Belle Mead, NJ brings a great lineup of 13 outreach experts from the EFCA Eastern District, ReachNational, ReachGlobal, and TouchGlobal to provide fresh outreach ideas for your church staff, leadership, and outreach/missions teams. The presenters lead outreach in the Middle East/North Africa, Europe, and Asia as well as compassion-based and urban-intercultural ministries in the Eastern District and USA. In addition to skills training for your church leaders, the GO Summit connects you to the missional pulse of EFCA and Eastern District. We seldom see this many EFCA outreach experts at the same time and place, and the cost is very reasonable.

For security purposes, three of our international presenters are listed as X, Y, and Z. The domestic church planters and pastors listed are involved in outreach to primarily Hispanic, West African, urban, and Arabic populations, and your church can learn from their outreach models. We hope you and others from your church will join us on May 1st.
