BUMP

**Stretch BEYOND your comfort zone.
Help a church reach BEYOND their doors.
See God move BEYOND your expectations.**

BUMP - Bridging Urban Mission Project:
Provides short-term urban mission experiences for student ministry teams. We partner with urban EFCA congregations and energize them with a workforce for their summer outreach ministries. Together we work toward the transformation of a neighborhood.

**Serve an urban church for a week.
Gain ministry skills that will last a lifetime.
Return home to impact your community.**

BUMP. Go BEYOND.
