

DONATIONS NEEDED!

Oftentimes, your friends and family will support you on your trip by sending something to help people in Texas. Please call for an update of our most needed supplies. Or if you are unsure of what to bring, Home Depot, Wal-mart, and Shell Gas gift cards are easy to travel with and are GREATLY appreciated for the maintenance and repair of tools, equipment, and vehicles which require flexible funds. We can handle bulk donations and tractor trailer deliveries. Email crisisresponse@efca.org if you have any questions.
