- Obtaining a certificate from GATEWAY/TUMI is NOT a license or ordination in the EFCA. GATEWAY/TUMI is an educational center. Before a license or ordination in the EFCA may be obtained the applicant must apply to the regional EFCA District.
- In some districts there is a temporary "provisional license" but that is a regional license that not all EFCA districts have implemented.
- In admitting a student to GATEWAY/TUMI we will make no inquiry as to the immigration status of any student. We welcome all students with open arms but it is up to the student to settle their status with the immigration authorities. A certificate from GATEWAY/TUMI speaks of your training and accomplishment only.
- GATEWAY/TUMI is not a recognized organization that can extend the requirements to obtain an 1-20, Student visa.
