

EFCA
GATEWAY
Theological Institute

I agree to diligently study the Scriptures and the information on the 2008 Statement of Faith of the Evangelical Free Church of America.

I agree to cooperate with the leadership and the GATEWAY professors, to use the recommended texts, to attend the classes on the scheduled dates and will join the student discussion groups in my class.

I understand that the object of GATEWAY is to help me in my Biblical and doctrinal formation and therefore I commit myself to read, write, discuss and rewrite the assigned work.

I understand that my participation in GATEWAY is not a guarantee that I will obtain ministry credentials with the Evangelical Free Church of America. But, if I should be a qualified candidate in my District in order to obtain credentials, the plan of study of GATEWAY will be a help in the preparation for it, if I have worked diligently to write, discuss, and rewrite my work and have obtained an appropriately satisfactory grade.

I will inform the GATEWAY Administrative Assistant of any changes in my personal information (address, telephone, etc.)
