Leawood Campus - Phase III  
Conference Parking

The weather forecast for Leawood calls for mostly sunny skies and temps in the mid to upper 30s. Christ Community, where our conference will be taking place, is in the middle of a construction project. With this in mind, they have asked all conference participants to park on the south side of the main parking lot (left). This will leave the north side for the onsite preschool as well as their own staff. There will be someone directing traffic on the morning of the first day, but please help us by parking only in the designated area each day. After parking, come in the front entrance.
